- 11 **TO AGREE DATE AND ATTENDANCE FOR FUTURE MEETINGS/EVENTS**
- 11.1 Next General Parish Council meeting 6th February 2017 at 7.30 p.m.

Appendix A – Schedule of Reports & File Notes

1. Clerk's Report (item 4.1)

To be circulated prior to meeting

2. FILE NOTE: ANPR Camera (item 4.2)

Sgt Andy Paulden from Newport Pagnell police station had alerted me in early December to a problem finding a suitable lamp post for the ANPR camera and said that the engineers had recommended using a post at The Chequers. I had said that this was not acceptable because we wanted the village entrance monitored and at least two residents from Shepperton had expressed their concern about being included in the ANPR coverage, one of whom had been the victim of an attempted burglary. Andy had agreed to revert to the engineers.

Following three further burglaries over Christmas, I sent a fairly sharply worded email to Andy and Julia Manley (TVP ANPR Manager). The email expressed disappointment that the cameras, approved by CPC in September and authorised by the ANPR Committee for data privacy in October and which TVP had hoped to have installed before Christmas, were still not in place. Furthermore, as one of the Christmas burglaries had been in Shepperton, I repeated that CPC wanted that estate included in the coverage and indeed our approval of the funding was based on the locations given to us for the camera which was at the entrance to the village.

Julia arranged to have an engineer pretty much within a few hours of receiving the email to re-survey the posts and Andy, who had also been to the village on 3rd January, told me that the problem was that one of the lampposts had the control electrics in it for several streetlights and the engineer had been concerned that there was insufficient room for the ANPR electrics. A second one had old wiring and a third had been hit by a vehicle and was canted over and the engineer was not happy to mount a camera on it until it had been repaired.

Castlethorpe Parish Council

Parish Council General Meeting to be held
on Monday 9th January 2017 at 7.30 pm

Andy put a choice to me; to get post SR1 repaired by MKC the camera on SR3. I have been down and made a crude taken some photographs. I agree that SR1 is damaged and It is not clear how long MKC would take to repair it – if at their policy is now not to repair unless a danger or malfunctioning.

A camera on SR3 will face The Navigation and so all entering and leaving the village will be recorded. I have agreed that the camera should be mounted there as I think that I could not accept further delay and the risk of a burglary.

I hope the council will be able to support this decision.

Philip Ayles
